## **A REFLECTION ON SERVICE**

Celine Murray

**To learn more about joining or  
volunteering with Ignite,** please email  
Tim at [info@peopleofhope.net](mailto:info@peopleofhope.net)

Ignite has been blessed with so much this year. We have been able to bring all the teens together almost every Thursday night of the year for either large groups, filled with talks from Ignite leaders and guest speakers, games, and delicious food or small groups, in which each age group of boys and girls separately meet up to share and discuss their own individual faith journeys.

We have also been blessed to go on a number of weekend retreats together. One of these retreats was spent on Long Beach Island where the Ignite teens spent three days hearing talks from the leaders, praying together, and enjoying the beautiful location. This was definitely the highlight my year

servicing with Ignite. I loved spending this uninterrupted time with the group. It gave us all an opportunity to really grow closer to each other and more importantly to God, and build a strong foundation of fellowship and faith for the rest of the Ignite year. It was also so inspiring to see how open the high school students were to not only hear, and consider what God had for them, but to take it seriously.

Serving with Ignite has been such an important part of my year. It has reminded me several times of the importance of having a servant's heart and not putting my own desires before others. There have been many moments in this past year where I was very tempted to spend my time on my own things instead of giving my yes to Ignite, but what I have learned time and time again is that, when you offer your time up to serve, God will always make time for your own needs.

## OUR FIRST FILM: A DIGITAL WITNESS

Laura Allen

After serving a partial mission year with The People of Hope, running retreats and serving in youth ministry, helping with office administration, newsletters, and whatever else needed to be done, Maeve reflects on her time of service and on God's faithfulness to all who trust in Him.

## **BE MY REMNANT**

My dear people, when has there been a remnant? When has there been my remnant? When has there been a people that I have protected and held close? It has been throughout time when things were very difficult. It has been when things were turned upside down, when all things were crazy. It was then that there was a remnant. My People of Hope, I love a remnant. I love a humble people. I love a people that stays faithful in the midst of chaos. How I love that people! How I long for that people! What a great reward that people has! And I ask you, are you a remnant today? You're free to be. Do you want to come into the palm of my hand? You're free to. I'm here for you. You are here tonight. That is a witness to being a remnant. Continue to praise me. Continue to love me. Continue to live the life that you've been given despite difficulties, despite hardships. Be my remnant. You are free to be my remnant. Come to me. Come to me and allow me to protect you. Come to me in the palm of my hand. My hands are open for you.

## **DO NOT LET ANYTHING COME BETWEEN US**

I look forward to the moment when you realize that you're going to be with me forever. For that is why the Father has created you - that you live this life and then be with us forever. Oh, my sons and daughters, do you still seek me like you once did; do you miss being with me like you once did? Be careful, my sons and daughters; be careful of the devil. Be careful of his distractions and his temptations.

Repent of your own sin. Do not let anything come between us and the time you will be with me. I love you so much. I love you.
